

# PRESS RELEASE

## NEW HORIZONS TIMES

Computer Learning Centers

for the finest in computer training, let New Horizons take you higher.

MAY 2007

SPECIAL EDITION

### Grand Opening!!

**New Horizons and Albright College are pleased to announce a new partnership** that brings hands-on technical training from the industry leader to the most respected institution of higher learning in Berks County.

As the world's largest independent training provider of information technology, New Horizons brings its wide range of computer training for Reading businesses and individuals at all levels to the scenic campus of Albright College, combining the New Horizons tradition of excellence with the convenience and pride of Albright College. The new state-of-the-art computer-training center is located at 1940 North 13th Street, Suite 101, Rockland Professional Building, Reading, PA 19604.

**Albright**  
COLLEGE

New Horizons' flexible training options offers Reading businesses and individuals

top-quality computer and healthcare training that is tailored to meet their specific needs – how and when they want to learn.

New Horizons Computer Learning Center at Albright College is part of New Horizons Computer Learning Centers Inc, celebrating its 25th Anniversary as the world's largest independent computer training company. With more than 280 centers in 56 countries, New Horizons is the world's largest network of Microsoft Gold Certified Partners of Learning Solutions (CPLS).
